# Ship Overview

With a host of alluring features, our brand-new, ultra-modern river ships APT Solara and APT Ostara offer unmatched opulence and style when travelling along the Rhine, Main and Danube Rivers. Whether enjoying a cocktail up on the sun deck or retreating to your spacious, light-filled suite, there is so much to discover on board.

Six unique dining venues include The Gruner Bar & Dining, Bistro Saison, The Owner's Cellar, The Salon, Annie's Table and The Daystar Deck.	Three luxuriously appointed suite categories include Twin Window, Balcony, and our lavish Owner's Suites.
Crafted in Melbourne by the globally acclaimed Hecker Guthrie design team, our brand-new vessels seamlessly blend contemporary elegance with timeless allure, drawing inspiration from Europe's waterways, seasons, and locales.	Soak in the European sun on the Daystar Deck. Offering sweeping views, rooftop dining with Mediterranean-style fare and a bar that serves sumptuous cocktails. Relax by the pool and lounge in the Conversation Pit.
No more than 154 guests are assisted by a dedicated team of 60 crew members. A smaller number of passengers than many other vessels on Europe's waterways ensures your every need is met and exceeded.	A host of wellness offerings cater to your health and fitness goals, including an onboard gym, hair stylist and indulgent spa. E-bikes are also available for exploration on shore.
